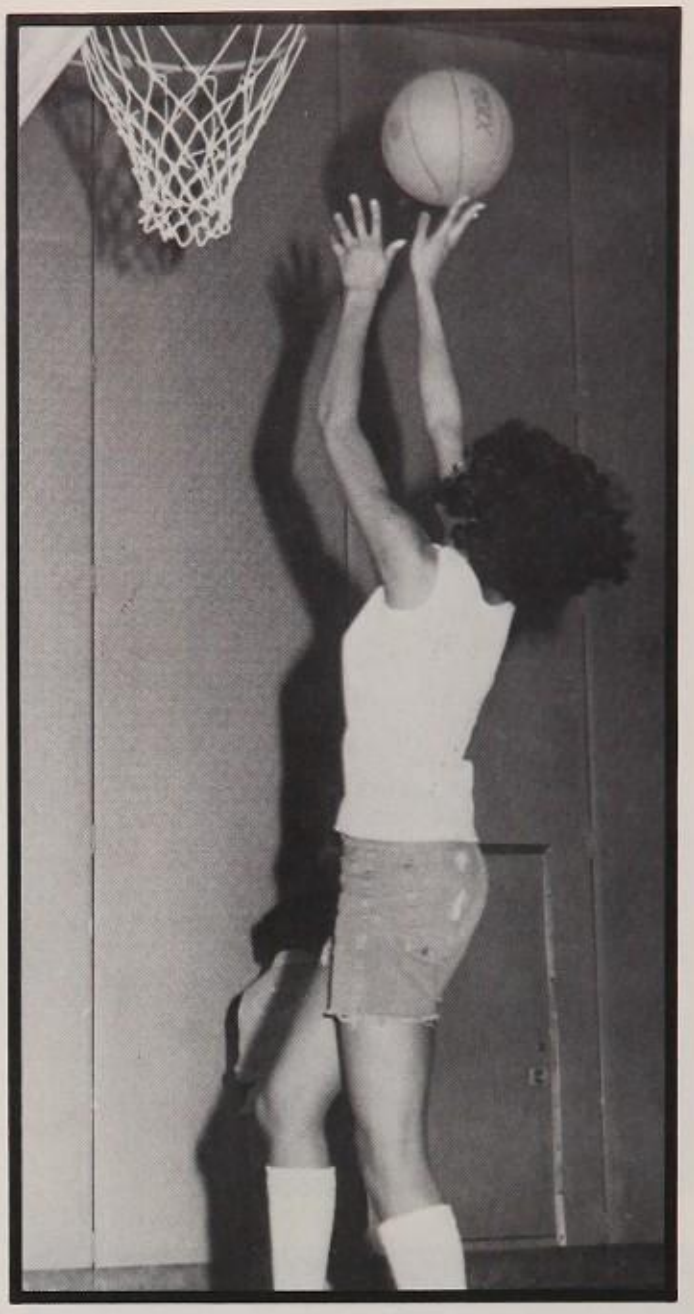
We are ever students.

You better
come and
visit Tommy's
I appriate.



The earth is our campus, providing a multitude of subjects interesting and important;

we observe with equal intensity

the intricacies of Nature,

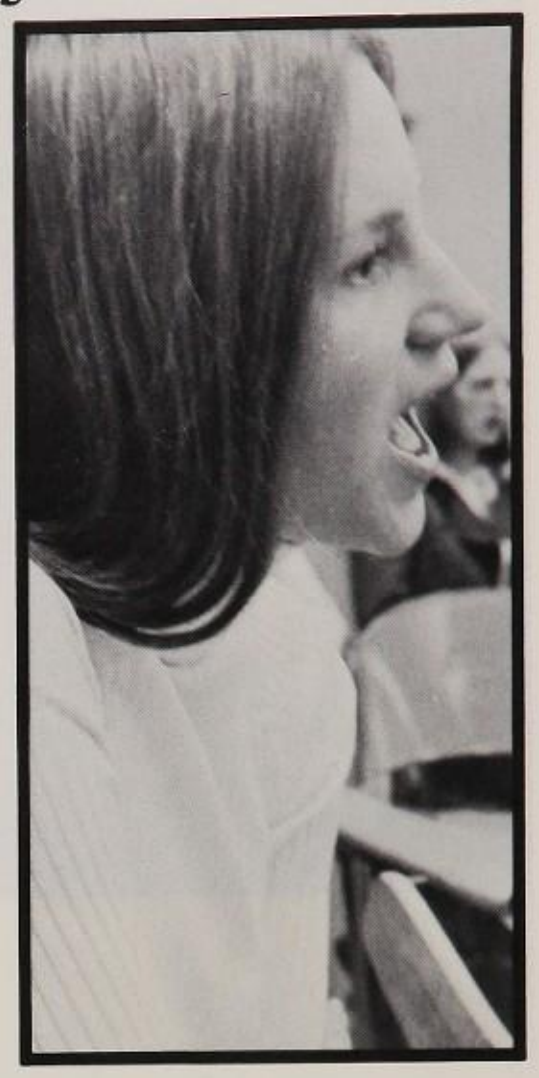
the progress of a football game,

the course of an exam.

We find

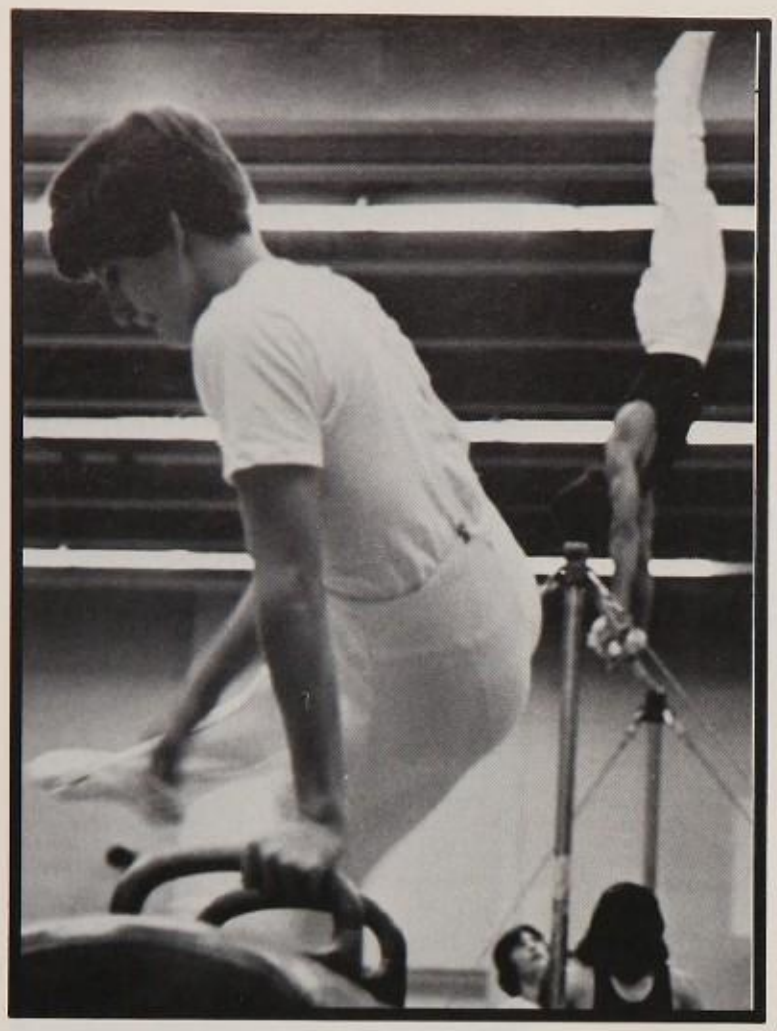
contentment in work,

beauty in a song,



pleasure in friends,

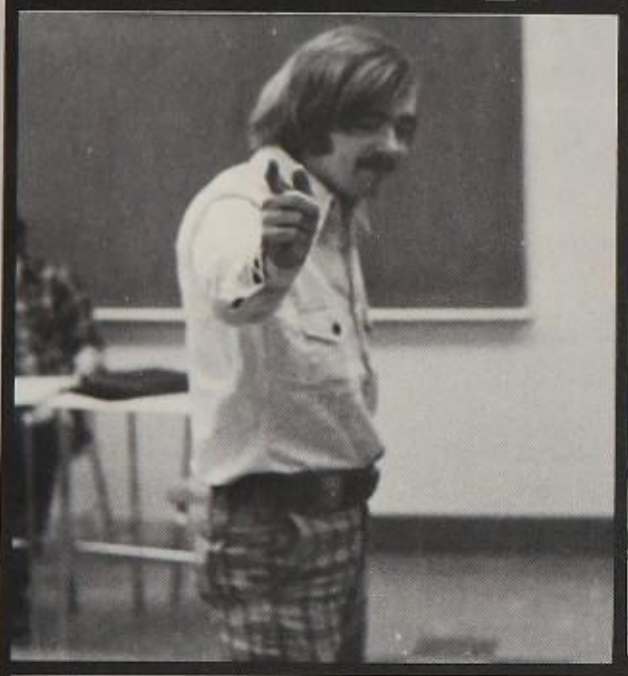
joy in the face of a child.

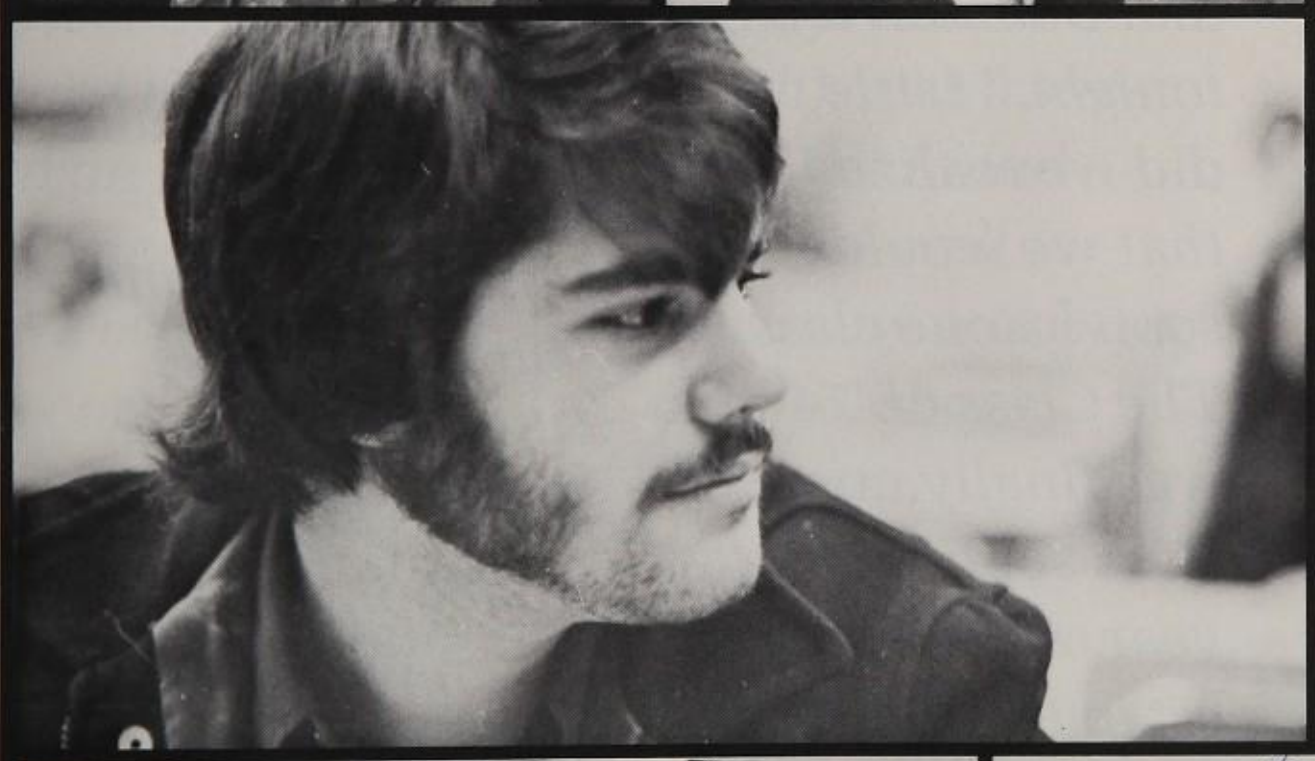


Life presents us with a collage of learning experiences

with which we may solve the secrets of the world.

There is no better time than now, to begin studying.



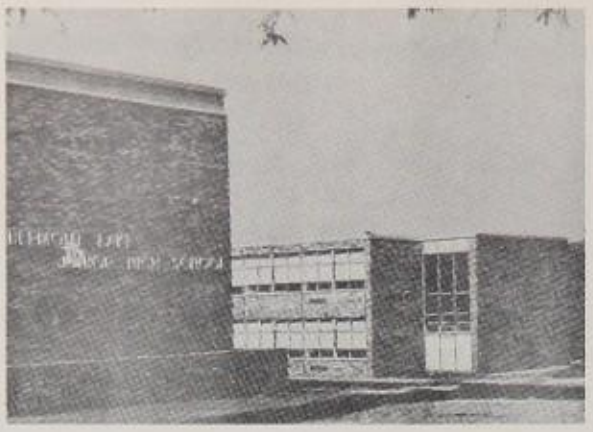


Seniors

Senior History

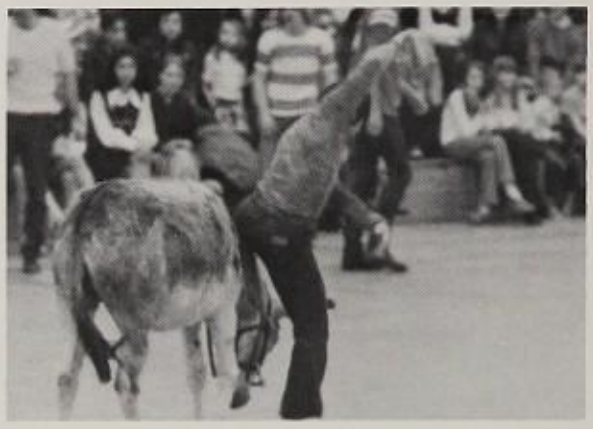
Remember waiting for the school bus on your very first day of school? That day saw the first meeting of the Class of '74.

Seven years of elementary school passed differently for each of us, but we all have good memories of them. After elementary school, we were brought together again in Junior High.



The Class of '74 was now situated in two schools instead of seven. For three years we were arch-rivals — it was either, "We'll beat Moses this time," or, "We'll get that Belmont team tonight." Little did we realize that we would soon be one class. The Class of '74 was finally united in its sophomore year. As the youngest in the school, we had to find a way to make ourselves known; we worked hard, and built a winning Homecoming float, becoming the first sophomore class ever to do so.

We also had a profitable candy sale, and sponsored a hysterical Donkey Basketball Game. The year soon passed into summer vacation. We came back that



September as Juniors. Again we worked, and built our second winning Homecoming float. That was the year that we had a candle sale, that our Soccer team won the Long Island Championship, and that Balfour, on a hectic day, brought us our school rings. With the theme, "An Old-Fashioned Love

Song," a lovely setting, and a great band, our Junior Prom was a success. Regents and finals were over, and another year had passed.

We were now Seniors. For the third time we worked on a winning Homecoming Float. We established a record for three triumphant years. The Homecoming Dance saw Bobby Isom become the Ugly Man, while Vicki Embree was crowned Homecoming Queen. We had a great sports year. The Girls' Hockey team won the banner, the Soccer team took the League I Championship, as did the Gymnastics team, and the Football team became AAA Conference winners.

Our Senior Car Wash (or should we say, Senior Wash), was a success. We found out how well Ivory Snow works on clothes, shoes, hair, skin, cars . . .

We sponsored a Flea Market — a first for N.B. —

and another Donkey Basketball Game; and who can forget college applications, the Senior Polls, the writing and reading of the Senior Will, the Dunkin' Donuts at the Senior Breakfast, gown measurements, and the long, long graduation practices? The Senior Prom, held at The Sands, turned out to be a beautiful and memorable occasion for everyone who attended, a fitting conclusion to a wonderful year.

Then we, the Class of '74, took our biggest step. On the twenty-second day of June, in the year nineteen hundred seventy-four, we graduated from high school to begin the rest of our lives.

Junior Prom

On Saturday evening, April 14, 1973, the Class of 1974 presented its Junior Prom — "Old-Fashioned Love Song." Music was provided by the bands "Flack" and "Innocence"; the decorations of the gym created an atmosphere which took one back to another era, a time of quaint ice-cream parlors and romantic walks in the park. Those who gave their time, effort, and talents, made the Junior Prom of the Class of 1974 a success and a night to be remembered.

In Memoriam

Brian Boylan *Ralph Carusona*

Listen to the wind
For it sings to you his name;
It tells you in its song,
Things will never be the same.
The grass will never seem as green,
Nor the sky as blue,
For on the day he died,
A part of you died, too.
Yet remember him as you watch the birds
With their spirit flying free,
Let there be a memory
In everything you see.
Remember him with a joy
That is not without some pain,
As you listen to the wind,
As it sings to you his name.

Underclass

Junior Class

(L. to R.): P. Lanigan, Vice President; L. Pascale, Secretary; P. Szurly, Treasurer; Mr. Prospect, Advisor; J. Haffner, President; A. Maggio, Secretary

The Junior Class started the school year with a vivid display of spirit. This was shown at home football games, through the release of colorful balloons at each of N.B.'s touchdowns. Not only did the Junior Class show its spirit in the air, but around the field as well, with imaginative banners. It proved its consistency, at least, by placing last once again in float competition on Homecoming Day.

The Class of '75 supplemented its funds by holding a successful Bulldog sticker sale, and a large-scale candy sale.

Then, with the spring season, came a highly enjoyed and well-attended Junior Prom. We hope that its success was indicative of the Senior year which the Class of '75 hopes to have.

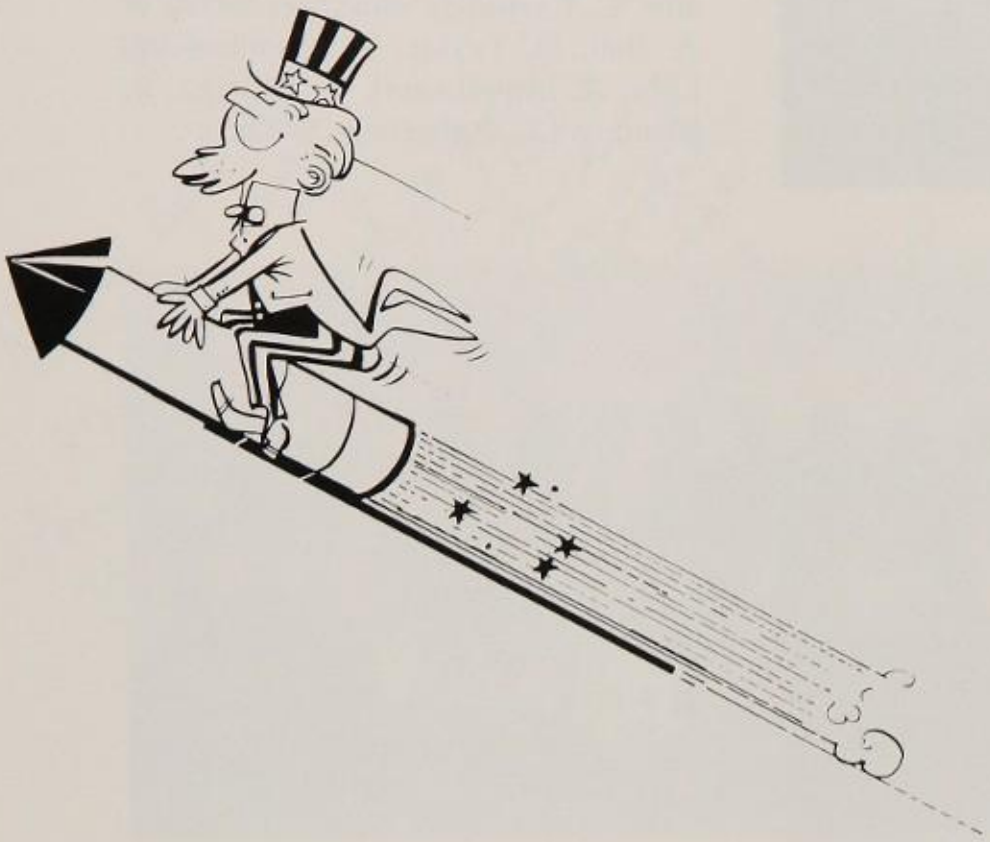
Sophomore Class



While their first year as high school students has passed very quickly, the sophomores look forward to the next two years that they will spend in North Babylon High School.

As a class, they accomplished a lot in the past year. They started off with a homecoming float which placed second only to the seniors'. Their spirit at the pep rally placed first over the Juniors' and Seniors', and the number of sophomores that supported both Junior Varsity and Varsity teams was overwhelming.

The Sophomores, with the "Spirit of '76," not only cheered on N. B.'s teams but also helped out the class by participating in a light bulb sale, a booster button sale, and a candy sale, all of which helped their financial situation.

The Class of '76 is to be congratulated on its fine performance, and wished a Junior year which is as successful as its initial year has been.

League One

"Let me say, for the record, that this year's Soccer team is the *best* team North Babylon has ever had." These are the words that coach John Eden spoke at the '73 pep rally. Evidence of this is the team's outstanding record. N.B. finished undefeated and untied (12-0-0) in regular season play, and in doing so, captured the League I championship. This is the first time in 18 years that a League I team has ever accomplished this unbelievable feat.

The three team captains, Tom Brewer, Pat Gaffney, and Neil Pollak, led a unified team to within inches of the county championship. Scott Finkbeiner and the three co-captains were selected to the All-League Team; halfback Chris Burke, a sophomore, was selected for the 2nd All-League Team. Pat Gaffney went on to become N.B.'s Most Valuable Player, a member of the All-County Team, and a member of the All-American Team.

It will take quite a team to surpass the efforts and accomplishments of the 1973-74 Soccer Team.

Mr. George Kelly:
Suffolk County
Coach of the Year

The entire banquet hall of the Narragansett Inn was hushed. An unknown speaker stood before the unsuspecting crowd, his purpose not yet stated; quietly, he announced his news. The North Babylon Varsity Football team of 1973 had won the coveted Rutger's Trophy. Was it really that much of a surprise? Many had predicted that the team would finish close to last. By watching the outstanding play of the Bulldogs in all aspects of competition, however, one could easily conclude that the team had accomplished nothing short of championship. It had attained the distinction of being the greatest football team in Suffolk County; its undefeated season and the capture of the AAA-1 conference title had created Long Island High School football history.

League One Gymnastic Champs

M.V.P. Larry Faraone

The outstanding efforts of this year's gymnastic team produced results that broke Long Island Gymnastic records. The team's high scoring outranked most of the colleges in New York State and many others across the country. The League I title capped the undefeated season led by team captain Bob Brown and Most Valuable Player Larry Faraone. Both Bob and Larry are now up for All-American honors.

Collectively, the team produced champions of the truest form, including many outstanding individuals. Larry Faraone was noted by gymnastic experts as one of the best ring men on the eastern coast. The team's four free exercise performers far outranked those of other teams in the country.

The leadership of the team was provided by the unsurpassed coaching of Mr. Mike Twohig, and the management of Domenica Versace and Diane Rapp. With the leadership of these girls and a coach who instills pride and integrity, the gymnastics team will continue to do better, when the best is what is called for.

Wrestling

"Concentration, Determination, and Courage = Winning." These words, posted on the walls of the wrestling room, inspired this year's Varsity team to overcome some overwhelming deficits, and produce top quality competition.

The team record of five wins and eleven losses cannot possibly show the hard work and hours of practice put in by both Varsity and Junior Varsity teams.

Award-winning individuals were Matt Laspisa, who placed third in the league, and Paul Ironman, who placed fourth. Other outstanding seniors were Bob Marino, Mike DiPeri, John D'Aries, and Chuck Kevick. Their impressive records are worthy of much praise.

The Junior Varsity's incredible record of 12 wins-0 losses-1 tie, brought about by such outstanding individuals as Glen Gitterman and Wayne Swenson, shows great promise for future teams.

One can only conclude that this year's wrestlers exhibited many fine moments of wrestling talents worthy of much acclaim.

Cross-Country

The cross-country team, behind co-captains Jerry Veraldi and Damian Ruppert, and coach Manhardt, displayed the dedication needed for successful running. Its record of 1-7 is misleading, as it does not show the accomplishments of the team and its individual runners. M.V.P. Don Haushalter placed 24th in a state-wide competition of over forty runners. The entire team (including its two female members, MaryAnn Burr and Carol Starmack), ran an estimated 500 miles throughout the season. The return of 18 members proves to be a promising factor for next year's team.

Basketball

The ability to come back, to get up from a fall and continue to fight, is something to be highly admired in the sports world. The Varsity basketball team of 1974 did just that. The three consecutive losses at the outset of the season did not stop the Bulldogs, did not mentally defeat them, and did not affect future play.

The team instead reversed its play, and finished with a season record of twelve wins and six losses. The chance for playoff action was halted with the crucial loss to West Islip at the end of the season.

Coach Cavaliere felt the season was exceptional because of the comeback from the three initial losses, which would have finished many other teams.

Field Hockey

The year 1973 saw the emergence of the finest girls' field hockey team ever to play for North Babylon. Under the expert coaching of "Knees" Mullin, as she is affectionately called by her friends, the undefeated team captured the League III banner with a record of 6-0 league, and an overall record of 8-0-1. Outstanding players included offensive M.V.P.'s Lynn Hambel and Renee Beteille, and defensive M.V.P.'s Jackie DeSalvo and Barbara Meyer. This year's basketball team, under the coaching of Miss Mullin, began its season by winning the Suffolk County Board of Women Officials' Basketball Tournament. They have a highly successful non-league record of 5-1. Thus far they are undefeated in League play, defeating Wyandanch 69-49 and Bay Shore 40-27. If they can continue their streak for three more games, they will be the winners of the League I championship, their first in five years.

Best of luck to the girls for a successful conclusion to their season.

The 1973 Girls' Track team, coached by Miss Mullin, surprised everyone in the county but themselves by winning the Suffolk County Track Championship in the team's first year of organized competition. The team was led by such outstanding performers as MaryAnn Burr, who set a new county record in the 440; Beverly Washington, who set a county record with a high jump of 5'1¾"; Carol Starmack, who was undefeated in the 880; Martha Gaskin, who set a new state and county record in the hurdles; and Barbara Meyer, who went undefeated in the discus. Homecoming 1973

Despite the gloominess of the weather, spirits were high as North Babylon Senior High School opened its annual Homecoming Day, Saturday, October 27.

It began at 10:00 that morning with a parade, which consisted of three floats, the marching band, the cheerleaders, the boosterettes, and the queen candidates.

The football game, scheduled for late afternoon, saw the Bulldogs play a fantastic game in which they defeated the Brentwood Indians.

The day ended with the Homecoming Dance, where Vickie Embree was crowned Queen, and Bob Isom named Ugly Man; Most Valuable Player Awards for Fall Sports were also given out.

Altogether, it was a perfect day and a memorable evening.

The Alumni Float

The first place Senior float: "Bulldogs Bulldoze Indians."

Deca Award Winners

The North Babylon chapter of the Distributive Education Clubs of America has received recognition throughout Suffolk County and New York State.

More popularly known as DECA, this organization forms the cornerstone of the North Babylon Distributive Education Program, a program that has long been recognized as the leading work experience training program in Suffolk County.

Some of the activities of DECA include, but are not limited to, field trips, curriculum, contests, leadership conferences, school activities, and leadership activities.

Many former DECA members have achieved notable success in higher education and in industry. For the 1973-1974 school year, special recognition was received by the election of two North Babylon students to Suffolk County DECA executive positions. These students were:

Fran Pappas — Suffolk County President

Richard Leone — Suffolk County Treasurer

Principal's Message

The High School years are the years of growth and becoming. They are often years of great joy and of great sorrow and they cannot really be judged as successful or unsuccessful until years after. It is hoped that you will pick up this book sometime in the future and you will remember the joy and be able to look back upon your High School years and feel that they led to or gave impetus to your later success.

It is also hoped that you remember fondly those persons who, during your stay, gave you kindness and help and that you, in return, will give kindness and help to others.

We, of the staff, implore you to go out and use the skills and knowledges which you have gained while here and use them not only for yourself and your family but also to help others.

From the entire staff and myself, the best of luck to all of you.

Driver Education

Once again, during the Summer, all eligible students were involved in the very popular Driver Education program.

Two hundred forty of our classmates participated in this very popular program for six weeks this past summer. The program was ably directed by Mr. Donal O'Shea, from P. J. Brennan Jr. H. S. Among the teaching staff were six members of the Senior High School faculty. The Driver Ed program provided several valuable aspects (Senior licenses and reduced Insurance rates) which made it a very rewarding Summer Session.

MORNING TEACHERS: (L. to R.): Mr. Kelly, Mr. MacFarlane, Mr. Matulia, Mr. O'Shea, Mr. Cavaliere, Mr. Cusumano

AFTERNOON TEACHERS: (L. to R.): Mr. Eisen, Mr. Gleason, Mr. Williams, Mr. Allenza, Mr. Kahl, Mr. Szablewicz

The very practical nature of such a useful program, coupled with the enjoyable social atmosphere and comfortable facilities, provided a truly worthwhile experience for many of us.

Acknowledgements

The editorship of the *Blazer* has been one of the most challenging, demanding, and rewarding experiences of my life. As I look back on its aspects and phases, there are, of course, many people who shared with me times both frustrating and enjoyable, and whom I would like to thank.

Mr. Matulia, you have been most generous in giving us the guidance, the experience, and the freedom which we needed. Without your dedication, the book might not have been possible; all of us on the staff are truly grateful.

Maureen, you were a pleasure to have as an assistant editor. I can't thank you enough for being so willing to take any job — even those "little, odd jobs" — and see them to a successful completion.

Mark, you may not have had very much time to give, but whatever you did, you did with competence and a wonderful attitude. Thanks for a job well done.

Mr. Hood, thanks not only for the good job accomplished by you and your staff, but for your cheerful advice and assistance. We appreciate your interest in our end of the book.

Donna and Joan, it took two terrific workers to pick up the pieces and complete the section. Donna, your creativity was wonderful, and Joan, as our own "wittiest," you really lifted spirits in the Blazer room. Thanks so much!

Sue, I'm proud of the way you handled the section. It took hard work and determination, and that's just what you gave.

Thanks, Randy, for all of your talent, not only in putting together your section, but in putting some life into often tedious work. Your sense of humor — and your words of wisdom on the bulletin board — made you an invaluable member of the staff.

Robin, you proved a true friend as you accompanied me everywhere, and volunteered to do anything and everything. Not only did you do a good job on your section, but you helped everyone else; for that, and for putting up with me, I'll always be grateful.

Jill, your devotion and creative efforts were a great help. Thanks for your help with the headlines, and for bringing back the food — even the turkey with mayonnaise!

Steve, I could always talk to you, and trust you with anything. I appreciate not only the marvelous job you did on our "baby," but your taking attendance, helping with the index, and supplying us with the pretzels, "Flying Saucer" crackers — even the cones. We may have driven people crazy with our "inside jokes," but we always retained our sanity. Thanks for your friendship and spirit of dedication.

Rob, Colleen, and Sue, I appreciate whatever time you could give. Your interest gave us a real lift.

Cindy and Scott, no one "dressed up" the book more than you did. Your creativity was marvelous!

Our photographers were some of the most important contributors. A special thank you to Damian, for "never letting me down"; to Mike, for being such an angel about all that work; and to Lori, for your special assignments.

Daddy, I can never thank you enough for all the time and effort which you gave to make the *Blazer* a success. For painting the sign, for taking so many pictures, for spending hours in the darkroom, and for encouraging and supporting our work, I will always be grateful.

My thanks are also extended to Mr. Simmonds for his advice, and to our favorite, Mr. Vadas, for his invaluable help and marvelous spirit. Also, to the *Vignette* staff, for keeping us on our toes; to the custodians, and Miss Weber, for their patience; to the members of the faculty for their understanding, especially Miss Leonardo, Mrs. Klass, and Mr. Grouver (and thanks, Mr. Grouver, for your help with the captions); and to Miss Caraway, for all of your influence and interest. Mary Ann, I appreciate your work on the index, and Janet, you were wonderful about running around and helping out.

Thank you, also, to all of the people at North Babylon for contributing to the success of the *Blazer*.

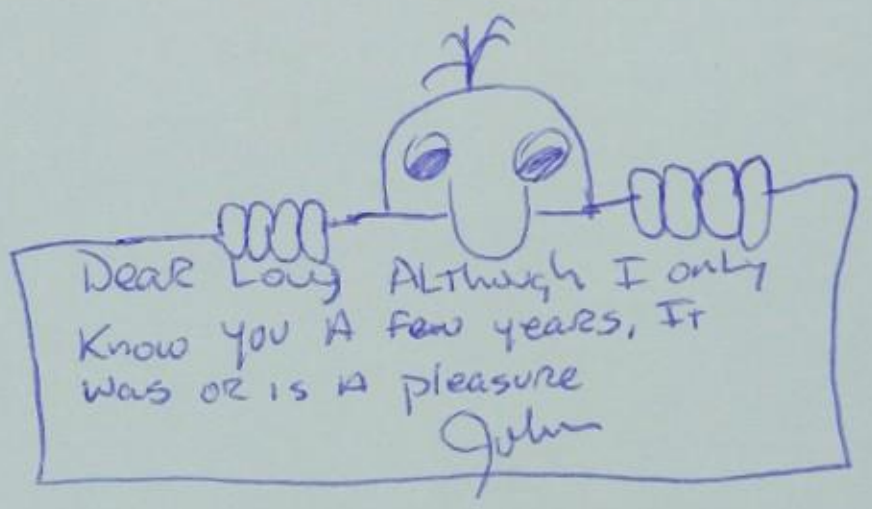
Since 7th grade its been a long time. You were one of the first boys I met from a different elementary school. Remember our section 7? It was one of the best. There's absolutly no way in which I can forget you. 6 yrs is so long you make the best of your life. Be good and stay happy. I love you always

Kathy.



Louie,

Best of luck in all you do. You're a great kid and I hope you remember me and all the good times we had.

Love,
